

The Hellenic Business Angels Network (HeBAN)

Member of:

- Hellenic National Member of **EBAN** (European Trade Association for Business Angels, Seed Funds, and other Early Stage Market)

- National Lead for Greece of **GBAN** (Global Business Angels Network)

About HeBAN

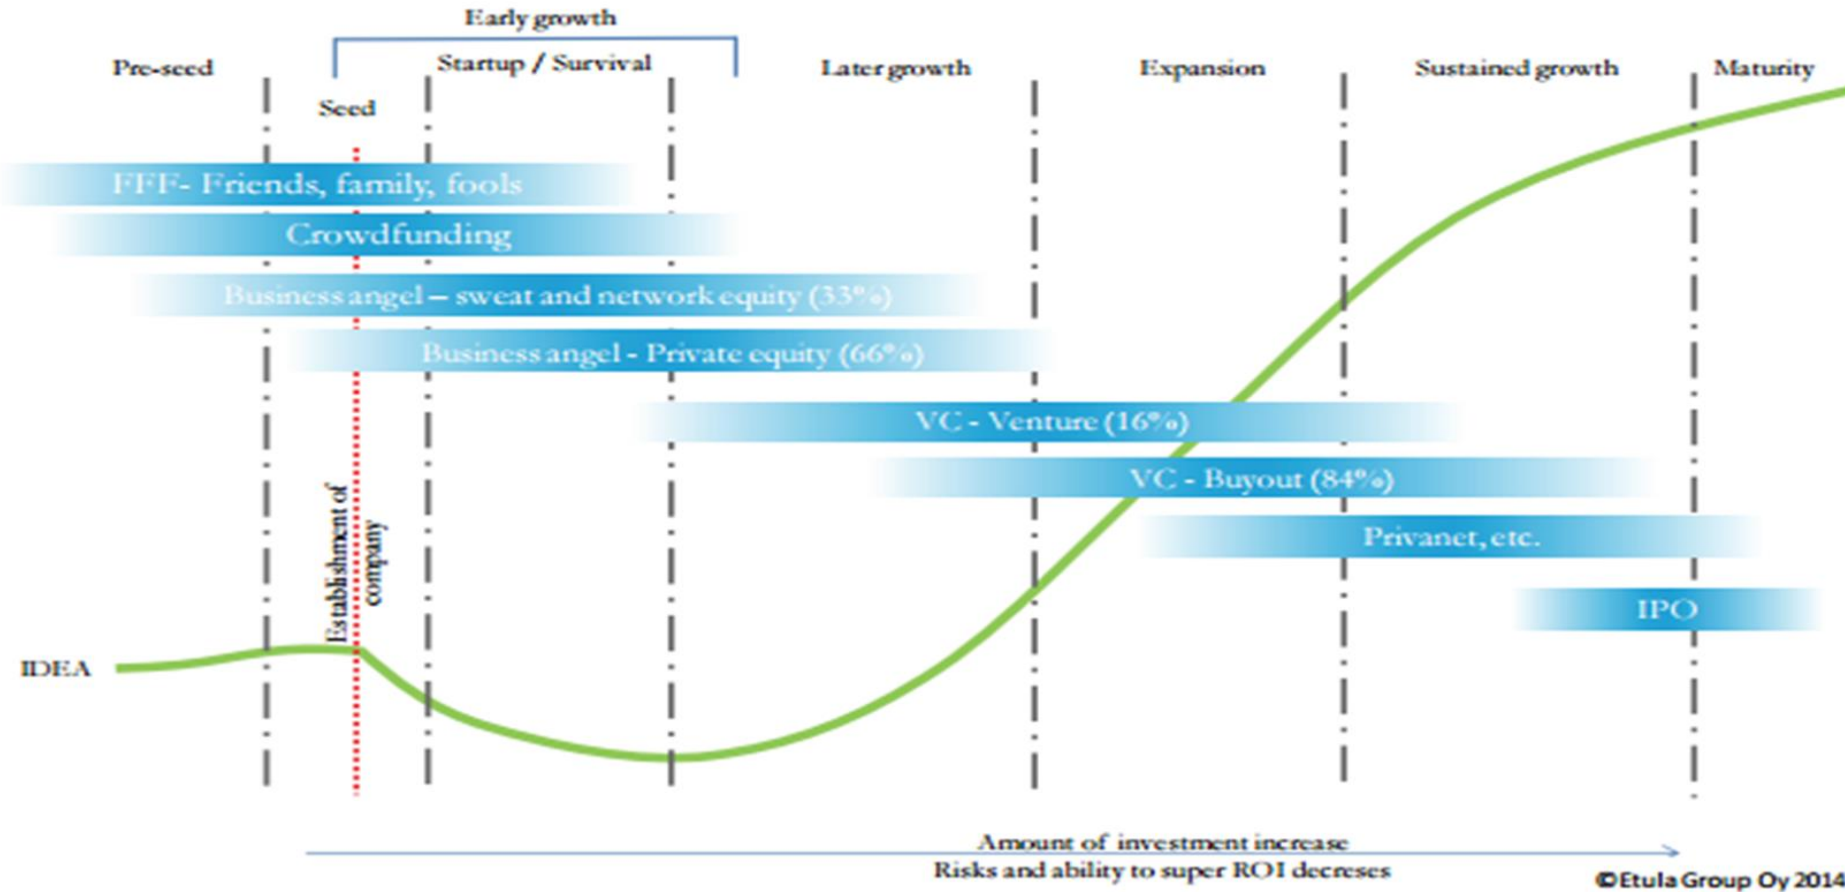

- non-profit organization
- educate and train private investors and entrepreneurs
- pursue to bring together the stakeholders of the Greek start-up ecosystem in an early stage investors network

HeBAN's Goals

The main goals of HeBAN are to:

1. Foster public awareness and understanding of the importance of a strong early stage investment ecosystem for the economy
2. Serve as an access point for foreign Business Angels networks and early stage investors to Greek Business Angels and start-up investment opportunities
3. Connect local Business Angels with the international early stage investor community
